Time - Registration begins at 10:30 a.m.; shotgun start at 12:00 p.m.

Location - River Ridge Golf Club 3133 Brazos Oak Lane, Sealy, TX 77474

Join C&M Education Charities (CM Educate) at River Ridge Golf Club for our first annual golf tournament. River Ridge opened for play in late 1998, yet its verdant greens, fairways and natural design amidst the old-growth pecan and oak trees yield a beauty and maturity decades older. The sixty-foot drop in elevation from the clubhouse on the river ridge to the bank of the Brazos River provide a spectacular vista, raised tees and greens unlike anything in the greater Houston area. One of 'The Best 18 Holes of the New Generation' according to Golf Digest. Former PGA Pro Jay Riviere designed this masterpiece-a veteran golf course architect whose inspiration comes from actually having played the world's greatest courses. Sponsors will be recognized on signage at the tournament, on CM Educate web site and the media. The day will begin with a relaxed lunch of burgers and concludes with River Ridge's famous barbeque, a silent auction and the tournament awards.

Effective teaching is paramount for the future success of our children. CM Educate was founded in 2005 to eliminate the achievement gap for all children by creating the CONNIE® Model; a teacher training method based on neuroscience research and effective learning strategies. The science-based curriculum integrates language, fine arts, and mathematics in a collaborative learning environment implemented for the last four years in Houston ISD at Halpin Early Childhood Center. Your contributions will go to help CM Educate train and assist teachers in their classrooms by providing the resources and support for the implementation of the CONNIE® Model.
